### Usage Permission

During Club outings and other occasions, group photos of participants are usually taken and shared on Social Media. This is a means of promoting the club and displaying the benefits the club can provide. Likewise, images shared by members on Social Media are sometimes used in club publications.

We appreciate that Personal Privacy is an important consideration and ask that you please indicate below if you do not wish to appear in shared images. All care will be taken to preserve your privacy, however, please be aware there is also an onus on you to be aware of potential personal exposure whilst on Club Excursions. Please also indicate if you do not want your images used in Club promotions and publications.
